

Sand Dollar®

Top Mount Sand Filter

By Pentair Pool Products®

So clean. So clear. So easy.

The Sand Dollar® filter is the perfect high performance sand filter. It's incredibly simple to operate and maintain, and it's built with long-term reliability in mind. Plus, its highly efficient design provides all the clean, crystal clear water your pool requires year after year. Here's how.

Pool water is routed through the sand-filled pressure vessel. The sand traps particles so small they are undetectable to the eye. Over time, dirt accumulates in the spaces between the sand particles, causing the pressure in the vessel to rise. This signals you to "backwash" the filter. Simply reverse the water flow and "knock out" the dirt.

All Pentair sand filters feature a special internal design that keeps the sand bed level and ensures even water flow. That results in the most efficient filtration possible.

- One-piece thermoplastic tank for exceptional strength, corrosion resistance and long life.
- Combination water and sand drain makes servicing and winterizing fast and easy.
- Special internal design keeps sand bed level for consistent performance and extended time between cleaning cycles.
- Attractive almond color blends with any outdoor décor.

Sand Dollar® Top Mount Sand Filter

Six-function multi-port valve for easy control of all filter functions

- Filter
- Backwash
- Rinse
- Waste
- Closed
- Recirculate

One-piece thermoplastic tank for strength and corrosion resistance

Combination water and sand drain for easy service and winterizing

Sand Dollar® Top Mount Filter – Models

Model Number	Filter Area Sq. Ft.	Vertical* Clearance	Filter Diameter	Required Sand† (lbs)	Flow Rate GPM**	Turnover Capacity-Res. (Gallons)		
						8hrs.	10hrs.	12hrs.
SD 35	1.4	36.75"	16.5"	100	35	16,800	21,000	25,200
SD 40	1.8	46.0"	19.5"	150	40	19,200	24,000	28,800
SD 60	2.3	50.5"	22.5"	200	60	28,800	36,000	43,200
SD 70	3.15	73.0"	24.0"	300	70	33,600	42,000	50,400
SD 80	3.5	74.0"	26.0"	350	75	36,000	45,000	54,000

† Use standard #20 silica sand.

* Required clearance to remove the valve.

** Maximum flow rate.

For maximum water clarity

Pool filter operation doesn't come any easier. The multi-port valve of the Sand Dollar® filter puts all filter functions right at your fingertips – just rotate the handle to the desired position and Sand Dollar does the rest for sure and simple operation.

- Top Mount 6-function 1 1/2" multi-port valve features a pressure gauge and manual air relief for optimum filtration efficiency.
- Internal design ensures that water is exposed to maximum sand surface area for superior filtration performance and efficient backwashing.
- New, larger capacity unit – SD 80 – for even the largest pools.
- One-year limited warranty. See warranty for details.
